— ABOUT —

THE ECLECTIC ONE

A veteran artist with over two decades of experience, Jack Orange (JJ Pieksma) hails from Amsterdam and has graced stages across four continents — from Asia to LA.

His style is entirely his own: eclectic to the core, seamlessly blending genres and eras — from dinner-hour lounge and bossa nova through R&B, disco, funk and groovy house to techno and moombahton. Every set is tailored to the unique vibe of the room.

Today Jack is a resident DJ at Holland Casino and has performed for hundreds of thousands of people at events and festivals including UNTOLD, Jungle Experience (Koh Phangan), Sound Club Samui and Amsterdam's Most Wanted, as well as broadcaster Dance TV. He also produces and releases his own music.
